Transaction and (e) scheduling of a final hearing with the Bankruptcy Court for approval of the Sale Transaction. On May 31, 2009, the Bankruptcy Court granted the Sale Motion.

2. Chrysler LLC and its Debtor subsidiaries, Fiat S.p.A (“Fiat”), and New CarCo Acquisition LLC, a Delaware limited liability company formed by Fiat (the “Purchaser”), have entered into a Master Transaction Agreement, as amended, dated as of April 30, 2009 (the “Purchase Agreement”), which, together with certain ancillary agreements, contemplates a set of related transactions for the sale of substantially all of the Debtors’ tangible, intangible and operating assets, defined as the “Purchased Assets” in Section 2.06 of the Purchase Agreement, including the Designated Agreements (as defined below), the assets related to the research, design, manufacturing, production, assembly and distribution of passenger cars, trucks and other vehicles (including prototypes) under brand names that include Chrysler, Jeep® and Dodge (the “CarCo Business”), certain of the facilities related thereto and all rights including intellectual property rights, trade secrets, customer lists, domain names, books and records, software and other assets used in or necessary to the operation of the CarCo Business or related thereto (collectively, as defined in the Purchase Agreement, the “Purchased Assets”) to the Purchaser.

3. By notice dated May 14, 2009 (the “Assignment Notice”), the Debtors informed certain non-Debtor counterparties to Designated Agreements (as defined below) (each, a “Non-Debtor Counterparty”) of their intent to assume and assign to the Purchaser certain executory contracts and/or unexpired leases. The Assignment Notice contained an Exhibit identifying certain executory contracts and/or unexpired leases that the Debtors intended to assume and assign to the Purchaser (collectively, the “Designated Agreements” and each, a “Designated Agreement”), pursuant to section 365 of title 11 of the United States Code (the “Bankruptcy Code”). The exhibit or annex attached to the Assignment Notice also listed the amounts that the Debtors believed must be paid to cure all prepetition defaults under the Designated Agreements as of April 30, 2009, in accordance with section 365(b) of the Bankruptcy Code; provided, however, that such amount that must be paid to cure all prepetition defaults has, in some instances, been agreed in a writing signed by Debtor and the Non-Debtor Counterparty to be either higher or lower than the amount indicated in the Assignment Notice (such writing, a “Cure Agreement”, and such amounts, as modified by any Cure Agreement, the “Cure Costs”).

4. The Assignment Notice stated that objections, if any, to the proposed assumption and assignment of the Designated Agreements, including, but not limited to, objections related to adequate assurance of future performance, or objections relating to whether applicable law excuses the Non-Debtor Counterparty from accepting performance by, or rendering performance to, Purchaser for purposes of section 365(c)(1) of the Bankruptcy Code, or objections to the proposed Cure Costs (each such objection, a “Section 365 Objection”), must be made in writing and filed with the Bankruptcy Court so as to be received no later than ten days after the date of the Assignment Notice (the “Section 365 Objection Deadline”) by the Bankruptcy Court and other specifically identified parties. The Assignment Notice also stated that unless a Section 365 Objection was filed and served before the Section 365 Objection Deadline, all parties would be deemed to have consented to such Cure Costs and the assumption and assignment of such Designated Agreements, and any non-objecting party would be forever barred from objecting to the Cure Costs or to assumption and assignment and from asserting any additional cure or other amounts against the Debtors, their estates or the Purchaser. Furthermore,

the Assignment Notice stated that if the Non-Debtor Counterparty to a Designated Agreement failed to timely assert a Section 365 Objection, such Designated Agreement would be deemed to be assumed by the Debtors and assigned to the Purchaser and the proposed Cure Cost related to such Designated Agreement would be established and approved in all respects, subject to the conditions set forth in paragraph 6 hereof.

5. The Designated Agreements identified in Exhibit A hereto (as modified by the Addendum thereto) are hereby assumed by the Debtors and assigned to the Purchaser, and the Cure Costs listed in Exhibit A related to such Designated Agreements are established and approved in all respects, subject only to the conditions set forth in paragraph 6 hereof, the Addendum and to Cure Costs not being established in an amount greater than the amounts identified in Exhibit A hereto. The Cure Costs listed in Exhibit A reflect Cure Costs agreed to in the Cure Agreements, as applicable. Such Designated Agreements are hereby deemed to be Confirmed Agreements as that term is defined in the Assignment Notice. If the Cure Costs related to a Designated Agreement are established by the Court in an amount greater the amount specified in Exhibit A, such Designated Agreement shall not be deemed to be a Confirmed Agreement unless and until such Cure Costs are approved by the Purchaser.

6. The Debtors' decision to assume and assign the Designated Agreements is subject to the closing of the Sale Transaction and shall be effective only upon the closing date. Absent such closing, each of the Designated Agreements shall be deemed neither assumed nor assigned and shall in all respects be subject to further administration under the Bankruptcy Code.

7. Subject to the conditions set forth herein and in the Addendum, having been assumed and assigned as a Confirmed Agreement, a Designated Agreement is not subject to rejection under section 365 of the Bankruptcy Code.

8. Except as may have otherwise been agreed to in a Cure Agreement, the defaults under the Designated Agreements that must be cured in accordance with section 365(b) of the Bankruptcy Code shall be cured as follows: the Purchaser shall pay the Cure Costs relating to an assumed executory contract or unexpired lease within ten days after the closing date. Such Cure Cost shall be reduced by the aggregate amount of any payments made to the Non-Debtor Counterparty by the Debtors pursuant to any order of the Bankruptcy Court authorizing the payment of prepetition claims against the Debtors.

9. The assumption and assignment of any Designated Agreement is without prejudice to Purchaser's right not to confirm any other Designated Agreement in the future, whether or not related or similar to a Designated Agreement that is assumed and assigned by this notice.

10. Certain executory dealer agreements have been identified as Designated Agreements to be assumed and assigned. Although most U.S. dealers have entered into standard uniform dealership agreements in the form of the Chrysler Corporation Sales and Service Agreement (the “Sales and Service Agreement”), some dealers are parties to older agreements in the form of the Chrysler Direct Dealer Agreement (each, a “Direct Dealer Agreement”). If a Direct Dealer Agreement is identified as a Designated Agreement in the attached Exhibit A, then such Direct Dealer Agreement will only be assumed and assigned to the Purchaser if the counterparty to the Direct Dealer Agreement first agrees to modify such Direct Dealer Agreement and restate it in the form of the Sales and Service Agreement (each such modified and restated Direct Dealer Agreement and each Sales and Service Agreement, a “Dealer Agreement”). If the Non-Debtor Counterparty and the Debtors do not so modify and restate such Direct Dealer Agreement in the form of the Sales and Service Agreement, then notwithstanding any other provisions in this Notice or in the Bidding Procedures, such Direct Dealer Agreement and its Ancillary Agreements (as defined in the Addendum) will not be assumed and assigned as set forth herein.

11. Questions or inquiries relating to this notice may be directed to the Chrysler Restructuring Hotline at +1-877-271-1568 (for U.S. and Canadian callers) and +1-503-597-7708 (for international callers outside the U.S. and Canada).

ADDENDUM

The executory contracts and unexpired leases identified in this Exhibit are hereby assumed by the Debtors and assigned to the Purchaser in accordance with, and pursuant to, (1) section 365 of the Bankruptcy Code and (2) the terms and conditions of the Bidding Procedures and the accompanying notice.³

Consistent with the Bidding Procedures, the Designated Agreements are not listed on an agreement-by-agreement basis. The Debtors are hereby designating all of the dealership agreements relating to the dealership locations identified on this Exhibit, including, without limitation, all Sales and Service Agreements and Direct Dealer Agreements for any linemake at the identified dealership location, and any amendments, modifications, supplements, addenda, restatements or exhibits to those agreements, as well as any ancillary agreements and leases related to such Dealer Agreements at the identified dealership locations (collectively, the “Ancillary Agreements”).

The Ancillary Agreements include, without limitation, software license agreements, data exchange and electronic commerce agreements, real property leases, Five Star dealer license agreements, options, sign leases, dealer improvement agreements, market action agreements, letters of intent and term sales agreements, as well as all site control agreements and similar agreements with Chrysler Realty Company LLC. The identified Cure Costs represents the aggregate Cure Costs for all of these agreements.

If any of the listed agreements is a Direct Dealer Agreement, then such Direct Dealer Agreement will only be assumed and assigned to the Purchaser if the Non-Debtor Counterparty first agrees to modify such agreement and restate it in the form of the Sales and Service Agreement. If the Non-Debtor Counterparty does not agree to so modify and restate its Direct Dealer Agreement in the form of the Sales and Service Agreement, then notwithstanding any other provisions in the Assignment Notice, the Bidding Procedures or this Exhibit, such Direct Dealer Agreement and any Ancillary Agreement thereto will not be assumed and assigned as set forth herein.

The identified Cure Costs represent the aggregate Cure Costs for all of the Designated Agreements with a Non-Debtor Counterparty. Prior to payment of the Cure Costs in accordance with the terms of the Bidding Procedures, the Cure Costs will be reduced by the aggregate amount of any payments made by the Debtors on account of prepetition claims against the Debtors. To the extent applicable, the Cure Costs may be adjusted to account for changes in applicable currency exchange rates.

³ Capitalized terms in this Addendum shall have the meanings specified in the accompanying Notice.
